

GOLD

PROTECTION PLAN

The Gold Protection Plan is an economical way to care for your heating and air conditioning components.

The benefits of our **GOLD** PROTECTION PLAN:

- » An annual precision tune-up and cleaning on each piece of covered equipment is included.
- » The Gold Protection Plan guarantees you 10% off the cost of parts and labor should you have a service problem.
- » You are guaranteed same day service when you have the need for one of our NATE Certified technicians.
- » No overtime charge for any service calls 24/7/365

The **GOLD** PROTECTION PLAN ensures you are protected against:

- » Untimely breakdowns
- » Shorter than normal lifespan of your furnace or air conditioner

Our **GOLD** PROTECTION PLAN also protects you from rising energy costs.

- » By receiving our 21 point precision tune-up and cleanings performed by NATE Certified professional technicians.

YOU COULD SAVE HUNDRES OF DOLLARS WITH OUR **GOLD** PROTECTION PLAN

The types of HVAC equipment covered by **GOLD** PROTECTION PLAN:

- » All furnaces
- » All AC units and heat pumps
- » All package units—under 5 tons

FREEDOM SERVICE PLANS

PLATINUM PROTECTION PLAN

The **PLATINUM PROTECTION PLAN** is the top of the line protection plan for care of your heating and air conditioning components.

This protection plan guarantees our NATE Certified technicians will fix these components at a 10% discount, day or night, 24/7/365. There will be no deductibles and no diagnostic charge. Fitting with the “Platinum” standard of care there will be no service cost. All of your service and maintenance visits for the year are free. The cost of our plan is so affordable, it’s just \$199 for the whole year. This is an extremely economical way to ensure the comfort and safety of your family and home.

There is also another terrific benefit to our plan. You will automatically receive an instant allowance towards the purchase of a brand new home comfort system. Our plan just put more money in your wallet.

The **PLATINUM PROTECTION PLAN ensures you are protected against:**

- » Diagnostic/Service Call fees
- » Rising energy costs by receiving our 21 point precision tune-up and cleanings performed by NATE Certified professional technicians.
- » Untimely breakdowns
- » Shorter than normal lifespan of your furnace or air conditioner.

The types of HVAC equipment covered by our **PLATINUM PROTECTION PLAN**

- » All furnaces
- » All AC units and heat pumps
- » All package units—under 5 tons

Additional services you will receive:

- » An annual precision tune-up and cleaning on each piece of covered equipment is included.
- » Priority service calls.
